

SAFETY TOWN 2011

COMBS MEMORIAL SAFETY VILLAGE

Dear Kindergarten Parent/Guardian:

This summer "Safety Town" will celebrate 34 years of pre-school safety education in the Middletown Community. Your child will be instructed in pedestrian, vehicle and school bus safety. Dealing with strangers and fire safety will also be discussed.

We offer weeklong sessions with either morning or afternoon classes. Officer Phil Salm of the Middletown Division of Police teaches the sessions which include classroom instruction, films and driving pedal cars in a simulated village in the gymnasium. The children are also fingerprinted for parents. Thursday is a two hour day for the children to take a school bus trip to the fire department where they visit the fire safety house. The week ends with a graduation ceremony. The July 12-16 and July 26-30 classes will be offered Tuesday thru Saturday. Graduation begins approximately 45 minutes before the end of class and you are welcome to take videos and photographs on that day. Doors open 10 minutes before class times. Safety Town is located at Amanda School, on Oxford State Road. Please enter through Door D on the east side of the school.

SAFETY TOWN IS ONLY OFFERED TO CHILDREN ENTERING KINDERGARTEN.

Beginning Monday, May 2, you may call the Safety Council of Southwestern Ohio at 513-423-9758 to register your child. Sessions are assigned on a first call basis. Please mark your calendar when you call because no reminders are sent. **We look forward to seeing your child at Safety Town this summer!**
