Dear Friends:

For you, my family, and all of the citizens of Middletown, I am dedicated to sustaining our city's remarkable achievements and ensuring a prosperous community for our future generations.

Born in Middletown and having spent a lifetime working with you and your loved-ones, I understand the needs of our community. My compassion and experience enables me to focus on your issues, our city's strengths and encourage positive changes.

Middletown's residents are passionate and optimistic. During hard economic times when the city lost manufacturing jobs and professional services, citizens and government came together to work with less, maintain high standards across all city departments and create jobs to support our families. Citizens led campaigns and committees to be proactive in reaching common goals and stimulating the economy. Yes, times have been and continue to be tough. Let's continue to unite in the fight for Middletown's progress.

We can regain Middletown's status of the "All America City." We can transform this community, beginning with Ward 1. We can move forward with leaders who have the experience to put your ideas into action. We can stand together and guide our city's future. Middletown needs leaders who love the city, understand the issues and make a difference.

It would be an honor to continue serving you on Middletown's City Council.

I ask for your vote. If you'd like to provide financial support, please send a check to my campaign treasurer, Sandra Cramer, c/o Re-Elect Armbruster for City Council, 2014 Spencer Lane, Middletown, OH 45042. If you'd like to volunteer your time, please call 513-424-1663.

Thank You,

  
Jim Armbruster
